

The Kehillah

-High Priest Mageson 666

[My note the Protocols have been authenticated by Russian academics in the nineties and some brave Western academics as well. However its the original 1903 copy the Krushevan edition that is the original. The later 1905 Nilus edition was altered this is the one that is constantly referenced not the Krushevan.]

The Protocols Of The Learned Elders Of Zion, Are Real

The Catholic Church and Christian Program was created by Jews, who took over the Roman Empire from within a coup against the Roman Aristocracy. That put themselves into power under the cover of the Flavian Dynasty, this Dynasty created the Catholic Church and bible. And forced Christianity on the population the same way the Jews forced Communism on the population later on.

Vespasian as the Roman histories stated built a statue to an Alexandrian JEW who through Titus was the reason he became the Emperor. This Jew was Philo Alexandria, whose money funded the Flavian Dynasty and who was made a core member of the Dynasty along with other Jewish power elites. This Dynasty created Christianity.

The Jewish Creation of Christianity

Take a look at Pope Paul the 3rd, who sanctioned the creation of the Jewish, Jesuit Order.

From Chapter Seven in Ben Klassen's book 'Nature Eternal Religion'

The Kehilla, or Kehillah takes precedence over all other Jewish organizations and is controlled by a board of 300 directors who meet every few years to determine the policies to be carried out in their program of world dictatorship. These orders are then relayed to the Jewish leaders in control of this myriad of organizations, including the governments in the world.

In order to become a Kehillah Director a Jew must be at least sixty years of age and must have shown in his life's work that he has been an ardent contributor to the cause of the Jewish Race. On becoming a Kehillah Director he is honored by being called a Jewish "Patriarch". He is permitted and expected to wear a full beard.

For more efficient control they have divided the world into two sections, the Eastern Hemisphere and the Western Hemisphere. The headquarters for the Western Hemisphere is in New York and that for the Eastern Hemisphere is in London, England. Over the entire world is their "King of the Jews" called ACHAD HA'AM. Over each hemisphere there is a "Prince" of Jewry known as a "Sponsor". Until his recent death, Bernard Baruch was "The Prince", the head of The Kehillah for the Western Hemisphere. Baruch, as we all know, was advisor to several Presidents from Woodrow Wilson to Herbert Hoover, to Franklin D. Roosevelt, to Harry S. Truman.

The Kehillah is a very efficient organization and is organized around the number seven.

It is based strictly on the leadership principle, which I have described more fully elsewhere in this book. As I stated, the top leader of each Hemisphere is known as the "Sponsor". He has seven prominent Western Hemisphere Jews under him as his subordinates. This is the first

echelon of leaders and each one these knows each other and, of course, their leader.

The first echelon of seven is known as the 7th Kehillah degree and each one in the first echelon is known as an "Arch-Censor"

Each one of these seven leaders has seven men under him, making 49 in the second echelon or the 6th degree. Each one of these is called a "Minister".

Each one of these 49 has seven men under him making 343 in the third echelon or the 5th degree. Each one of these men is called a "Herald".

Each one of these 343 has seven men under him making 2,401 in forth echelon or 4th degree. Each one of these men is called a "Courtier".

Each one of these 2,401 members has seven men under him making 16,807 in the fifth echelon or in the 3rd degree. Each one of these is called a "Scrivener".

Each one of these 16,807 members has seven men under him, making 117,649 in the sixth echelon or the 2nd degree. Each one of these is called an "Auditor".

Each one of these 117,649 members has seven men under him making 824,543 in the seventh echelon or the 1st degree. Each one of these is called a "Mute".

If we add up all the members of the various seven echelons we find that there are nearly one million members in each Hemisphere, all fanatically loyal and dedicated to carry out the Jewish program of subversion and intrigue in order to create the Jewish dictatorship for which the race has so ardently strived and connived during the last several thousand years. They are all sworn to carry out the secret program as is set forth in The Protocols of The Elders oz Zion, although the Jews vehemently deny its existence over and over again.

The Kehillah is such a secret network that outside of the first echelon or the seventh degree of the seven Hemisphere leaders, none of the rest of the Kehillah members know who the others are.

With a secret, dedicated, fanatically loyal organization, with this kind of structure, it is easy to see how orders can be communicated and carried out with a minimum of delay or red-tape. When the Hemispheric head of The Kehillah gives orders to his seven, from there on there are only six steps down the line of command in order to have every one of the one million Kehillah members notified in short order.

All that is necessary is to make seven sets of telephone calls down the chain of command. Remember, each man only has to make seven calls to the seven men below him and in a matter of minutes the whole network of one million members has been given their marching orders. That is how the Jews manage to set in motion strikes, agitations, student riots, or whatever is the order of the day, all over the world at the same time. This is the leadership principle at work.

Among other things, Kehillah members are taught to infiltrate the management of our

schools, colleges and universities in order to indoctrinate our younger and rising leaders with their false philosophies. If you wonder why we have so many Hippies and Revolutionaries come out of our colleges, there is the answer. It is also the answer as to how such vast student organizations “simultaneously” flare up in student riots on our college and university campuses across the land. These Kehillah members also infiltrate and take control of civic clubs, patriotic societies, business organizations, labor unions, farm organizations, women’s clubs, church organizations, debating societies, fraternal societies, including the Masonic Lodges and other lodges. Radio and TV networks who carry out the Jewish program for the enslavement of the world.

We could go on and on as to the organizations that are under their control; the medical profession, newspaper publishing houses, the newspapers themselves, magazines of national scope such as Time, Life, Look, etc., are all under their control. It is interesting to note how far back this infiltration, organization and control by the Jews goes and many devout Catholic will be surprised to learn that the Jesuit Order of Monks was set up by Loyola, a Spanish Jew, to further control the Catholic hierarchy, and through it the Catholic Church and the Christian Church as such already were under Jewish control long before that.
